Dear Cooling Parish Council

Thank you so much for your kind grant of £200.00.

As you may already know, Air Ambulance Kent Surrey Sussex (KSS) strive to save lives by providing the best possible care every minute of the day, every day of the year.

Here at KSS our vision is to see an end to preventable loss of life from medical emergencies.

Your generous grant will be used to fund vital pieces of equipment, needed by our medical teams when out on potentially life-saving missions. Equipment such as the Oxylog 3000+ ventilator. The cost of 2 Oxylog 3000+ ventilators is over £29,000 and thanks to grants like yours we hope to be using the ventilators in our rapid response vehicles very soon.

Your support will help us to save more lives and care for people in our communities.

If you have any questions about our work or your grant, please do not hesitate to get in touch.

With our heartfelt thanks for your ongoing support,

Nick Turrell
